WOMEX
THE WORLD MUSIC EXHIBITION

A selection of the available programmes

The World Music Films on tour! provides *the* opportunity to look beyond the familiar. Explore the entire world's musical traditions and creativity and experience the diversity of our fascinating planet.

Bringing World Music in film and video to a wider public, in various locations around the world, is the motivation behind this non-commercial distribution project created in 2006 by the IMZ International Music + Media Centre in co-operation with WOMEX.

The most exceptional World Music films & videos can be booked and seen!
